S2 & S3 Student Health Survey

In order to better understand our students' health condition so that PE lessons and other sports activities can be arranged, parents are kindly requested to fill out the following survey. Parents should also seek medical advice from doctors about whether your child can take part in PE lessons and other sports activities if they suffer from any health issues. If a temporary exemption from sports activities is needed, a valid medical certificate is always required.

Please ask your child to return this survey to the form teacher on 4 September (Mon). It is highly appreciated if you could inform the school of any changes to your child's health condition immediately.

For enquiries, please contact the form teacher.
