**Parents' Night on Junior Secondary Curriculum (S1 & S2)**

There is a big difference between the curriculum of primary and secondary education regarding teaching, learning and assessment. At this stage of the year, S1 students are still adapting to secondary school life while S2 students have entered a turning point in the junior secondary curriculum. It is a critical time for them to set up good learning habits and explore the possibilities of future development. We strongly believe that your co-operation will enhance students' learning and the formation of a positive self-concept.

The Curriculum Development Committee will organize a parents' night to provide more useful information on how to help students adapt to secondary school life. The details are as follows:

- Date** : 22 September 2023 (Friday)  
**Time** : 7:00 – 8:30 p.m. (Please register at the entrance 15 minutes in advance.)  
**Venue** : School hall  
**Content** : 1. Sharing on the current trend in education and introduction of the school curriculum (Junior Forms)  
 2. Q&A session

Additionally, parents can preview and learn about the curriculum for each subject in advance through the following link starting from 18 September(Monday).
