### **S6 Mock Examination 2017-18**

The mock examination of S6 will be held from 12 January to 1 February 2018. However if there are no examinations arranged on particular days, S6 students may come back to school and study at the library-during the aforementioned period. It is hoped that such arrangement can help students prepare well for the examination. Unless there are special arrangements, students must arrive at school by 8:00 a.m. during the examination period. After the examination every day, students should go home for revision as soon as possible. We hope that students can make good use of their time and strive for best results in the examination. In view of this, parents are strongly advised to urge your child to make the best efforts for the examination.

For enquiries, please contact the form teacher.
