No. 21-22/32

19 November 2021

Schedule of S6 Mock Examination 2021 – 2022

The S6 mock examination will be held from 24 January to 28 January and 11 February to 25 February 2022. Unless there are special arrangements, students must arrive at school by 8:00 a.m. during the examination period. After the examination every day, students should go home for revision as soon as possible. Students are not allowed to bring any electronic devices such as tablets, databank watches, smart watches or any other gadgets with communication or data storage functions. Penalties will apply according to the school regulations if students fail to comply.

Since there is only one mock examination in S6, if students are absent from the examination due to sickness or other reasonable circumstances, their examination scores will be projected based on their performance in the corresponding paper of the uniform test. A score of zero will be given to those who are absent from the uniform test or mock examination without a legitimate reason.

We hope that students can make good use of their time and strive for best results in the examination. In view of this, parents are strongly advised to urge your child to make the best efforts for the examination.

For enquiries, please contact the form teacher.

Please refer to the attached for the examination Schedule.
