S4 Half-yearly Examination 2021-2022

The S4 half-yearly examination will commence on 17 January and end on 27 January 2022. For the rest of the time, Students should prepare for the examination at home. Electronic devices such as tablets, databank watches, smart watches or any other gadgets with communication or data storage functions are not allowed in the examination. Penalties will apply according to the school regulations if students fail to comply. The half-yearly examination carries 50 % of the yearly total mark.

In view of the Curriculum Documents in Support of the Optimized Senior Secondary Core Subjects, the school strongly encourages S4 students to keep the current 3 electives in their studies for the HKDSE 2024 and for better opportunities of receiving university education. Please urge your child to make good use of their time and strive for the best results.

Cross-boundary students will sit for the examination via live Zoom sessions. On the day of each examination, they will obtain a digital version of the examination paper through the school intranet eClass. Students need to upload their answer scripts through eClass when the examination finishes. The detailed arrangements of the scheduled meeting will be issued to students and parents concerned on 2 January 2022.

Based on the principle of fairness, results of all non-face-to-face examinations will be used solely as reference for teachers, parents and students.
