Parents' Day

The S1-5 Parents' Day will be held on 6 March (Sunday). Student report cards for the first term will be distributed. For subjects whose examination was cancelled, students' overall learning performance in the first term would be used for assessment to provide a reference for both parents and students.

To reduce social contact and group gathering, the Education Bureau advised the school against large-scale events including parents' day. As such, the Parents' Day will be held online. Please use the school account of your child to join the form teacher's Zoom meeting and meet the form teacher with your child together at the arranged time to discuss the student's performance in the first term.

If parents are unable to attend the Parents' Day at the time specified or have other enquiries, please contact the form teacher.
