24 June 2022

### **S1 – S5 Yearly Examination 2021-22 and Yearly Mark Distribution**

The yearly examination of S1 to S5 will be held in Weeks 46 and 47 (S1 and S2: 11 July – 19 July; S3: 11 July – 20 July; S4 and S5: 11 July – 22 July). Unless otherwise arranged, **students must arrive at school by 8:00 a.m.** during the examination period. After all examinations every day, students should return home for revision as soon as possible. They are not allowed to bring any electronic devices such as tablets (except S1), databank watches, smart watches or any other gadgets with communication or data storage functions. Penalties will apply according to the school regulations if students fail to comply.

Cross-boundary students will take the examinations via live Zoom sessions. On each day, they will obtain a digital version of the examination paper through the school intranet eClass. Students need to upload their answer scripts through eClass when the assessment finishes. The detailed arrangements of the scheduled meeting will be issued to parents and students concerned in early July.

Based on the principle of fairness, results of all non-face-to-face assessments will be used solely as reference for teachers, parents and students.

In addition, the weighting of the first term results will be adjusted to 30 % of yearly marks while that of the second term to 70 % for subjects and/or papers that were cancelled in the half-yearly examination. For those that are successfully conducted in both terms, the weighting would be 50 % for each term.

The school will continue to monitor the development of the pandemic and the latest arrangements released by the Education Bureau closely. Parents and students will be informed the earliest possible if the examination is affected. Please stay tuned for our updates.

Parents are strongly advised to encourage your child to make good use of their time and strive for the best results.

For enquiries, please contact the form teacher.

### **Please refer to the attached for the examination timetable.**
