Parents' Night on Junior Secondary Curriculum (S1 & S2)

There is a big difference between the curriculum of primary and secondary education regarding teaching, learning and assessment. At this stage of the year, S1 students are still adapting to secondary school life while S2 students have entered a turning point in the junior secondary curriculum. It is a critical time for them to set up good learning habits and explore the possibilities of future development. We strongly believe that your co-operation will enhance students' learning and the formation of a positive self-concept.

The Curriculum Development Committee will organize a parents' night to provide more useful information on how to help students adapt to secondary school life. The details of the seminar are as follows:

- Date** : 27 Sept 2024 (Friday)
Time : 7:00 – 8:30 p.m. (Please register at the entrance 15 minutes in advance.)
Venue : School hall
Content : 1. Principal's Sharing
2. Sharing : Handling and Preventing Children from constantly using mobile device
3. Introduction to Our Junior Secondary Curriculum (Chinese, English, Mathematics)
4. Q&A session

Additionally, parents can preview and learn about the curriculum for each subject in advance through the following link starting from September 23, 2024 (Monday).
