4 March, 2025

S3 “Greater Bay Area Science and Technology Development” Study Tour (Zhuhai)

The school has made continuous efforts in enriching students’ learning experience and cultivating their multiple intelligences throughout the years. To broaden students’ horizon, we have organized activities within and outside the school as well as culture study trips and study tours, both local and overseas. Culture study trips to Guangdong Province have been organized for S3 students since 1992. As before, the school will continue to organize culture study trips in the current school year.

For S3 culture study trip this year, Extract International Cultural Exchange Centre will organize transportation and food. The trip will be held on 27 March (Thursday) in Zhuhai in Guangdong Province. (Please see the attached preliminary itinerary). Students are not required to go to school on the following day (28 March (Friday)). Students are required to submit a report on their trip afterwards.

On the day of the field trip, students must arrive at school by 8:00 AM for assembly. They will return by tour bus at approximately 6:00 PM for dismissal. Students residing in Mainland China who do not wish to return to Hong Kong by bus may choose to be dismissed at either Zhuhai Aerospace Land or the Hong Kong-Zhuhai-Macao Bridge Control Point. However, parents must submit a separate written request specifying the preferred dismissal location.

The fee for each student is \$543.00. The fee covers sightseeing services on the Mainland (local food transportation, and admission to attractions), travel insurance, service charges of drivers and tour guides, and relevant miscellaneous charges. The entire tour fee is funded by the school. If students are absent without legitimate reason, the school has the right to recover part of or the entire tour fee from them.

Please submit the reply slip and the personal particulars form to the form teacher on 14 March (Friday). For enquiries, please contact Ms. YIU Man-ye at 24643731.

Dr. Kai Sze Fai
Principal
