

**DataMaths Co., LTD. 2024/25 ‘Mathematics Contest for Junior Elites’**

To enhance students' interest in Mathematics learning and help them prepare for the TSA and HKDSE examinations, the school encourages Secondary 2 students to participate in the *Mathematics Contest for Junior Elites* organized by DataMaths Company Limited.

The Formative Contest will be held once a year from 2024 to 2026. The Stage 1 Formative Contest will take place on **June 28, 2025 (Saturday)**, and will be extended to Secondary 3 in the following academic year. The top-performing contestants each year will be presented with certificates for gold, silver and bronze awards. In 2026, Secondary 3 contestants with the best cumulative results over the 3 years will be invited to participate in the Stage 2 Summative Contest, and the top 5 contestants in the Summative Contest will each be awarded a scholarship of \$3,000.

Participating in the competition not only boosts students' confidence, but also enhance students' mathematical abilities. We encourage students to actively participate and hope to gain the support of parents. The competition fees in each stage are listed as follows:

	Secondary 1 (2024-2025)	<b>Secondary 2 (2025-2026)</b>	Secondary 3 (2026-2027)
Stage 1 Formative Contest	\$150	<b>\$120</b>	\$100
Stage 2 Summative Contest	/	/	Free of charge

For the 2024/25 academic year, the competition fee is \$120. As a token of encouragement, the school will subsidize a portion of the fee for students with excellent mathematical performance or those who have financial needs. The detailed amount to be paid by different types of students is as follows:
